

Scholarship Application for Healthcare Careers 2022

1401 N 10th Avenue
Stayton, OR 97383
santiamhospital.org

Application Information for Scholarship 2022

Throughout the year our Auxiliary members participate in several fundraising activities to raise money for our scholarship program and hospital support. Our members operate the hospital gift shop, sell poinsettias, tulips, and host a fall fashion show and a breakfast. Unfortunately, last year, due to social distancing requirements we were unable to have fundraising activities.

To be eligible you must live within our service area. This includes Stayton, Lyons, Mill City, Scio, Jefferson, Aumsville, Gates, Idanha, Marion, Turner, West Stayton, and Sublimity. Please note that Silverton, Salem, Lebanon, and Albany are excluded because these hospitals have their own scholarship programs for their service areas. If you believe you live in our service area but your town is not listed please feel free to contact us. You do not have to be a Santiam Hospital Junior volunteer to qualify.

You must be pursuing a career in a healthcare industry (MD/DO, pre-med, nursing (all inclusive), radiology, Speech, Occupational and Physical Therapy, EMT, pharmacy). If your field of study is not listed, please contact us for clarification prior to applying. **Dental, veterinarian, administration, and nutritional fields of study are excluded.**

We will begin accepting applications by email on **February 15, 2022**. Email address is Scholarships@santiamhospital.org. Application packets must be complete and received **no later than five o'clock on the first Friday in April (April 1, 2022)**. It must arrive before the deadline to qualify.

You must be willing to attend an interview, via Zoom or in person. The tentative date for interviews is the third week in April, (April 18-22, 2022). Interviews last approximately fifteen minutes. One of the Auxiliary members will call you with an appointment date and time if you are eligible for an interview. You will be sent an email with the Zoom address, or notified when to meet in person, prior to the meeting date and time.

We will make every attempt to notify each applicant with results within two weeks of the interview. If selected and in high school, we will send your school notification of your award and a certificate for presentation at your awards ceremony.

To receive awards, you must be accepted by an accredited school, college, or hospital program studying in a qualified field. **It will be your responsibility** to send us, via email (Scholarships@santiamhospital.org) the name of your school, financial aid office address, and your student ID by **July 15, 2022**. Checks will be mailed directly to the school by **August 15, 2022**.

Successful applicants are only eligible for one scholarship at this time.
