SUPPORTIVE CARE FOR SERIOUS ILLNESS

Dealing with a serious illness can be difficult.

WVH's Supportive Care program offers the assistance you need to manage your illness at home with fewer trips to the doctor. This leaves you time to focus on the things most important to you - like family, friends and any treatments you may be pursuing.

SERVICES

- Visits from our team of experts focused on helping you manage your own symptoms
- Support by phone 24 hours a day
- Assistance with setting goals & planning for the future

Supportive Care is covered by several major insurers.

To check coverage or learn more call
503.588.3600 or visit wvh.org
