

Marion and Polk county seniors, people experiencing disabilities, caregivers, service providers, and family members:

How can we improve transit and transportation options?

Decisions made today on how to invest in transportation options for seniors and people with disabilities will affect the future quality of life for thousands of Marion and Polk County community members. Please help us identify improvements and prioritize transportation and transit needs.

The Cherrriots 2024 Coordinated Plan Update for Marion and Polk counties welcomes your ideas and input.
